17 April 1962

MEMORANDUM FOR CHAIRMAN, GUIDED MISSILE AND ASTRONAUTICS
INTELLIGENCE COMMITTEE (GMAIC)

Subject: GMAIC Review of Supplementary Collection
Plan

Reference: a. GMAIC Memo to Director of Operations,
Joint Chiefs of Staff

1. In accordance with reference a, enclosure (1) is forwarded for GMAIC review.
2. It is requested that the review include the following:
 - a. Over-all correctness of content.
 - b. Facility/platform capability to fulfill collection requirements and excess or overlap of functions, if any.
 - c. Classification of various sections.
 - d. Completeness and accuracy of distribution lists for message reports.
3. It is requested that any additions be submitted in the same format as enclosure (1).
4. Upon completion of review of enclosure (1) by GMAIC and the agencies concerned, the Joint Reconnaissance Center will initiate service coordination and upon service concurrence will present the proposed plan for final Joint Chiefs of Staff approval.

FRED M. DEAN
Major General, USAF

Director for Operations
